Dear Mr. Tisha D. Lewis

Thank you so much for the excellent attention to my application/control number:
10/667,567.

History: I have MA degree in Mechanical Engineering. I have worked in Mega-giant transmission manufacture about 18 years.
First simple gearbox design created by new method had been showed to scientists. They have given the enclosed Conclusion at 1988.

Limit of number of speeds: The revolutionary method of the shift gearbox designs has unbelievable biggest number of the torques. It is 108 forward speeds (proves are enclosed).

Please add: "It is an object of the invention to provide a gearbox with the opportunity to save energy of the power resource when it start and has idle speed "in the Object of Invention, if you can.

In addition, I am faxing the ⁷/schematics have been did by computer.

Note: My first attorney company NICOLAI & MERSEREAU, P. A. made mistake in document in which wrote I am citizen. I do not citizen also. I need time according to law.

Sincerely,

Vladimir Abramov,
